WELFARE OF DOGS

An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any field trial licensed by the Kennel Club. This shall apply at the venue or within the precincts of the trial.

TRIAL ETIQUETTE

We should never fail to acknowledge the generosity of hosts which makes field trials possible. Clearly it is desirable that as many competitors as possible are present when the presentations are made at the conclusion of a field Trial: not least because that is the most obvious way of showing such appreciation. There may be occasions, however, when a competitor feels it important or necessary to leave the ground before the end of the trial. If that happens, she or he must be sure to show due courtesy by informing the

Chief Steward before leaving. Good manners, which cost nothing, should be at the heart of everything we do: especially where our hosts are concerned.

DEFINITION OF STAKE
